SUNRISE ROAD TECHNOLOGY LIMITED

Company Profile

"Leading provider of premium road marking paints and comprehensive traffic safety solutions, trusted for quality, durability, and innovation."

"Paving the Way to Safer Roads, Brighter Tomorrows."

About Company

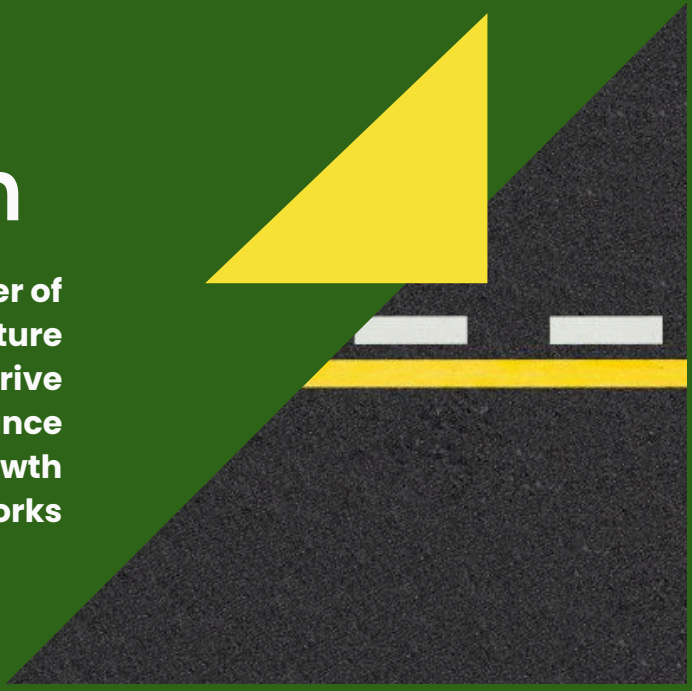

Introduction

At Sunrise Road Technology Limited, we specialize in providing high-quality road marking paints, reflective products, road signs, and traffic safety equipment. With years of expertise in the industry, our mission is to enhance road safety, improve visibility, and ensure long-lasting solutions for public roads, highways, and urban infrastructures.

Our comprehensive product range includes:
Road marking paints
Guard rails and guard rail beams
Gabion boxes and gabion mattresses
Road studs and their reflectors
Traffic signs and signage solutions
A wide variety of other road hardware materials

Our Vision And Mission

"To be a leading and trusted provider of innovative, high-quality infrastructure and road safety solutions that drive sustainable development, enhance public safety, and support the growth of modern transportation networks across the region and beyond."

What We Do?

At SUNRISE ROAD TECHNOLOGY LIMITED, we specialize in the supply and distribution of high-quality road construction and safety materials. We provide a complete range of products including road marking paints for clear and durable traffic lines; guard rails and beams for roadside protection; gabion boxes and mattresses for erosion control and retaining structures; road studs and reflective markers for nighttime visibility; and a full selection of traffic signs and signage for effective road communication. Our offerings also include various other road hardware materials essential for highway and infrastructure projects. We work closely with contractors, government agencies, and construction firms to deliver reliable products that meet safety standards and project requirements.
